Welcome to Nynäshamn
The growing archipelago community just 30 minutes south of Stockholm
Nynäshamn in figures

• 29 600 inhabitants
• 50 minutes from Stockholm by train, bus or car
• 5 ferry connections with Gotland, Poland, Latvia and Germany
• 5 commuter train stations
• 1 000 kilometers of coastline and 1852 islands
Did you know?

• Nynäshamn is the only municipality in Stockholm county where you can see the horizon from the mainland

• We have 100 miles of coast and no one has more than 9 kilometers of distance to the ocean

• 1 900 hours of sun per year
Working residents

3 000 local businesses

400 start-ups/year

(98% of the local businesses have less than 10 employees)
Industry and business

• Approximately 3000 registered companies

• Everything from large companies such as the oil refinery Nynas AB to one-man companies

• Construction and retail and wholesale are the largest industries.

• Companies in the service segment have the biggest growth
A town by the sea

- A town center with a variety of shops and service
- Restaurants, cafés and shops in the harbour
- Guest harbour in the middle of the town
Growth

• Stockholm Norvik harbour – logistics hub and Swedens new harbour for open cargo and containers in Swedens largest growth region.

• 9 out of 10 goods arrive by boat

• Climate and energy efficient means of transport

• Ongoing planning of approx. 200,000 square meters of business land in the Älby and Kalvö industrial area.
Nynäshamn – an expanding municipality attractive for investors, talents and visitors
